 [Ford Ecat Electronic Parts Catalog](#)

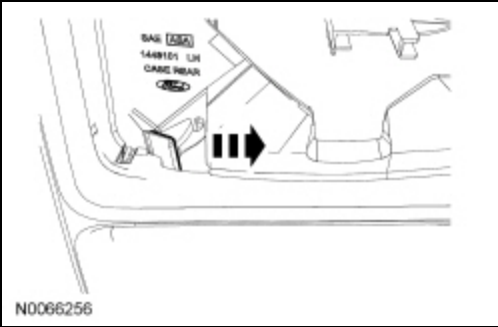

Item	Part Number	Description
1	13776 13776	Exterior mirror side lamp assembly
2	—	Mirror bulb holders (part of 17683/17682) (LH/RH)
3	13465 13465	Side marker lamp bulb
4	13465 13465	Turn lamp bulb

Removal and Installation

1. Position the exterior mirror glass inward toward the vehicle.
2. **NOTICE:** Use caution to not trap the side lamp assembly wiring during installation, or damage to the wiring may occur.

NOTE: Mirror glass removed for clarity.

Using a flat blade screwdriver or suitable tool, push the mirror side lamp assembly forward while releasing the retaining clip.

3. Separate the bulb holders from the mirror side lamp assembly and remove the side lamp.
4. To install, reverse the removal procedure.
