3	13411 13411	Side marker lamp bulb holder
4	13466 13466	Side marker lamp bulb

Removal and Installation

1. Remove the headlamp assembly. For additional information, refer to Headlamp Assembly in this section.
2. Rotate the bulb holder counterclockwise approximately one-eighth turn and remove it.
 - If necessary, separate the bulb from the bulb holder.
3. To install, reverse the removal procedure.
