

Child Safety Seat Tether Anchor — LATCH, SuperCab and Crew Cab

Removal and Installation

1. The lower anchors and tethers for children are serviced as part of the rear seat frames and are not serviceable separately.
 - For Crew Cab, install a new rear seat cushion frame. For additional information, refer to Seat Cushion — Rear, Crew Cab in the Disassembly and Assembly portion of Section 501-10.
 - For SuperCab, install a new rear seat frame. For additional information, refer to Seat Cushion — Rear, SuperCab in the Disassembly and Assembly portion of Section 501-10.
