

Piston Ring-to-Groove Clearance

 [Ford Ecat Electronic Parts Catalog](#)

Special Tool(s)

 ST1271-A	Feeler Gauge Set 303-D027 (D81L-4201-A) or equivalent
--	--

NOTE: Refer to the appropriate Section 303-01 for the specification.

- 1. Inspect the piston for ring land damage or accelerated wear.

- 2. Using the Feeler Gauge Set, measure the piston ring-to-groove clearance.
