

Valve Spring Strength

 [Ford Ecat Electronic Parts Catalog](#)

Special Tool(s)

 ST127B-A	Pressure Gauge, Valve/Clutch Spring 303-006 (TOOL-6513-DD) or equivalent
--	---

NOTE: Refer to the appropriate Section 303-01 for the specification.

1. Use the Valve/Clutch Spring Pressure Gauge to check the valve spring for correct strength at the specified valve spring length.
