

 [Ford Ecat Electronic Parts Catalog](#)

| Item | Part Number               | Description                    |
|------|---------------------------|--------------------------------|
| 1    | 9034 <a href="#">9034</a> | Fuel tank filler pipe assembly |

|    |                                 |                                                                                                                       |
|----|---------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| 2  | W525937 <a href="#">W525937</a> | Fuel tank filler pipe hose clamp                                                                                      |
| 3  | —                               | Fuel tank filler pipe vent tube quick connect coupling (part of 9034)                                                 |
| 4  | 9002 <a href="#">9002</a>       | Fuel tank assembly                                                                                                    |
| 5  | 9057 <a href="#">9057</a>       | Rear fuel tank support strap                                                                                          |
| 6  | W709593 <a href="#">W709593</a> | Fuel tank support strap bolt                                                                                          |
| 7  | W710428 <a href="#">W710428</a> | Fuel tank support strap bolt                                                                                          |
| 8  | W705047 <a href="#">W705047</a> | Fuel tank skid plate nut (4 required) (if equipped)                                                                   |
| 9  | 9A1479 <a href="#">9A147</a>    | Fuel tank skid plate (if equipped)                                                                                    |
| 10 | 9054 <a href="#">9054</a>       | Front fuel tank support strap                                                                                         |
| 11 | 9K0729 <a href="#">9K072</a>    | Information bezel                                                                                                     |
| 12 | W505253 <a href="#">W505253</a> | Fuel tank filler pipe screw (3 required)                                                                              |
| 13 | —                               | Fuel Tank Pressure (FTP) and vapor tube assembly electrical connector (part of 14405)                                 |
| 14 | —                               | Fuel pump module electrical connector (part of 14405)                                                                 |
| 15 | —                               | Wiring harness retainer (part of 14405)                                                                               |
| 16 | —                               | FTP and vapor tube assembly-to-Evaporative Emission (EVAP) canister vapor tube quick connect coupling (part of 9J279) |
| 17 | —                               | Fuel tank fuel supply tube-to-center fuel supply tube quick connect coupling (part of 9J279)                          |
